**Kwik-Pull™
Anchor Retriever**
*A LIFE-**SAVING**
PRODUCT*

**QUICKLY ATTACHES TO ROPE
AFTER ANCHOR IS DEPLOYED
AND BOAT IS SECURED.**

After you set the anchor, attach your Kwik Pull™ to your buoy.

Apply a little tension to the rope. Accelerate your boat so the buoy gains water pressure and can pull the anchor up.

**WORKS WITH
1/4" TO 1/2"
ROPE**
